

# My Money Story Manifesto

---

I am responsible for my own money story

I give myself permission to grow and prosper

I am not my mistakes or my past

I am worthy of abundance & success

I practice gratitude everyday

I practice humility to keep my ego in check

I will be lead by wisdom and not emotion

I am patient in my money journey

I am going to make a difference

I am blessed and want to bless others

THE BEST DAYS OF MY LIFE HAVEN'T HAPPENED YET
